

To Whom It May Concern:

It is my pleasure to recommend the auction enhancer products of BW Unlimited to you. During the past three years, our Foundation has worked directly with George Wooden, CEO/President of BW Unlimited, on our premier black tie gala the Raven's Ball. The company offers top-notch quality autographed memorabilia and professional framed items for reasonable rates. Across the board, we are always pleased with their work.

Please consider BW Unlimited for all your auction enhancer needs. I recommend them and look forward to working with them again.

Sincerely,
