We have worked closely with most of the nation's top Charities. We strive for both a financially successful event (a high net to gross percentage) as well as how your guests perceive both your event and your organization.

BW Unlimited also supports our clients with teleconferences and/or web-based meetings. Once hired our consultants are available 24 hours per day, seven days per week to discuss any issues regarding the fundraising event.

BW Unlimited  
Event Services & Fundraising Consultants LLC

BW Unlimited was founded "To provide the best service to our non-profit clients, offering an unrivaled level of support and to propel their fundraising events far and above their expectations." We at BW Unlimited look forward to assisting you and your Charity in regard to your upcoming fundraising event. We are available to answer any questions you may have.

Sincerely,

George F. Wooden, Jr.  
CEO/President  
BW Unlimited, LLC.
